## ABOUT THIS DVD SERIES

This DVD teaching program is structured as a practical, clinically oriented discussion of risk reduction in obstetrics and efforts to improve patient safety. A series of lectures will address an evidence-based approach to emergencies on labor and delivery, quality assurance programs, using a systematic approach for preventing errors, the role of simulation on labor and delivery, and other pertinent topics affecting clinical practices. Tips, protocols, and pitfalls provide balance to the program. Subscribers are provided with necessary tools to help establish a patient safety program such as management protocols, simulation scripts and near-miss/data collection processes. The faculty has been selected for their teaching ability, as well as for their expertise in this field.

## TARGET AUDIENCE

This DVD CME teaching program should benefit physicians in the fields of obstetrics and gynecology. It should also be valuable for those involved in women's health such as quality assurance personnel and hospital administrators.

## SCIENTIFIC SPONSOR

Educational Symposia

This DVD series was planned and produced by Educational Symposia, the leader in diagnostic imaging education since 1975.

This DVD series was planned and produced in accordance with the ACCME Essential Areas and Elements.

# **NEW** DVD CME Packs

Educational Symposia is constantly exploring ways to better serve our customers. Subscribers of our DVD CME teaching programs asked for a simpler way to share a DVD Teaching Program. We listened and are excited to introduce the **DVD CME Pack**.

Here's how it works. Purchase the original DVD teaching program then order as many **DVD CME Packs** as needed at a significantly reduced price. It really is that simple!

Educational Symposia's innovative **DVD CME Packs** allow each participating physician to own his/her set of DVDs. A personal set provides the opportunity to view at one's own convenience and adds to a personal reference library. **DVD CME Packs** are priced to make it a practical alternative to "waiting in line" to receive the next DVD.

Each **DVD CME Pack** contains:

- An **entire set** of DVDs in a convenient case designed for durability and ease of access
- One CME application and test
- A one or two volume syllabus (depending on the series). Syllabus is included in the purchase price but is not enclosed in the DVD CME case.

See order form to order a **DVD CME Pack** for this series. To order a **DVD CME Pack** for a previously purchased DVD teaching program, visit us online at [www.edusymp.com](http://www.edusymp.com) or call toll free at (800) 338-5901.

## Multiple CME Subscribers.....

Educational Symposia DVD Teaching Programs are accredited for *AMA PRA Category 1 Credit(s)*<sup>TM</sup> for three years from the original release date. Once the initial order is placed, the number of CME applications and/or **DVD CME Packs** that can be ordered is limitless. Simply call (800) 338-5901 or access our website at [www.edusymp.com](http://www.edusymp.com) and reference the name of the person or facility of the originating order. See order form for pricing.

## Cancellation Policy

If you are not satisfied with your purchase, you may return your purchase (or any portion of your purchase) within 15 days of receiving it. You will receive a refund for the portion that is returned less a \$125 processing fee. If you are returning/cancelling multiple DVD series, please note the \$125 fee applies to each series. If your purchase was sent express, the additional shipping charges will NOT be refunded. No refunds can be made after 15 days. All cancellations must be in writing. CME credit cannot be granted on the portion of the purchase that is returned.
