Date of Original Release:
Bi-Monthly Beginning In January 2011

General MRI

ESI Educational Symposia
www.edusymp.com

About this DVD Series

This DVD education provides practical, timely, clinical information in MR imaging. Pertinent lectures are selected so that subscribers receive the most up-to-date clinical information. Tips and techniques are stressed, as well as appropriate patient selection. The faculty members have been chosen for their teaching ability, as well as their expertise in MRI.

Target Audience

This DVD CME activity is primarily intended and designed to educate diagnostic imaging physicians. It should also be useful in educating referring physicians who order MRI procedures.

Educational Objectives

At the completion of this DVD CME series, subscribers should be able to:

- Discuss current recommendations regarding MR contrast safety.
- Adapt state-of-the-art MRA protocols and techniques into their clinical practices.
- Incorporate state-of-the-art breast MRI protocols and techniques into clinical practice.
- Expand clinical applications for body MRI.
- More effectively utilize MRI to assess patients with musculoskeletal pathology.

No special educational preparation is required for this CME activity.

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 12 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Each DVD is designated for two category 1 credits. The time necessary to complete the series is 12 hours. The time necessary to complete each DVD is two hours.

AMA PRA Category 1 Credit(s)TM for these programs may be claimed until January 14, 2014.

Technologists: No Category A CE credit is available for this series.

All DVD course participants are required to take a test in order to be awarded credit. (Exam materials, if ordered, will be sent with your DVD order.) All DVD course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

This DVD series was planned and produced by Educational Symposia, the leader in diagnostic imaging education since 1975.

This DVD series was planned and produced in accordance with the ACCME Essential Areas and Elements.

From the Leader in MRI DVD Education

MRI Updates are an exciting concept in medical education. These bi-monthly 2-hour DVD releases are designed to offer:

- Up-to-date, practical information essential for the practicing physician.
- Outstanding, nationally known faculty selected for their excellence as teachers, as well as for their expertise in MRI.
- Superior image quality due to special studio enhancement of the images.
- Electronic pointer to highlight pathology.
- *AMA PRA Category 1 Credit(s)TM: 2 credits per DVD; 12 credits per series are available.*
- Educational sessions at your convenience: Watch when you please; review them as often as you wish.
- DVDs are released throughout the year so that you will always be up-to-date.

Program

Program 1

Body MRI: New Techniques and Tips

Russell N. Low, M.D.

Contrast Enhanced MRA: How to Do It

Thomas M. Grist, M.D., FACR

Peripheral Neuropathy of the Upper Extremity

Phillip F.J. Tirman, M.D.

Program 2

MRI/MRA for Pulmonary Vascular Disorders

Thomas M. Grist, M.D., FACR

Cardiac MRI: How To

Scott Reeder, M.D., Ph.D.

Peripheral Vascular MRA

Thomas M. Grist, M.D., FACR

MRA of the Aorta

Scott Reeder, M.D., Ph.D.

Program 3

MRI of the Shoulder

Garry E. Gold, M.D.

MRI of the Hip

Garry E. Gold, M.D.

Liver Imaging with Integrated Case Review

Joshua L. Weintraub, M.D., FSIR

Program 4

Renal MRA – Principles and New Techniques

Thomas M. Grist, M.D., FACR

Breast Intervention with MRI Guidance

Laurie R. Margolies, M.D., FACR

Advances in MR of the Ankle

John V. Crues, III, M.D.

Program 5

MRI of the Pancreas

Russell N. Low, M.D.

Integrating 3T Breast MRI into Clinical Care

Laurie R. Margolies, M.D., FACR

MRI of the Knee

Garry E. Gold, M.D.

MRCP and Enterography

Shreyas Vasanawala, M.D., Ph.D.

Program 6

Applications of Diffusion MRI in the Abdomen and Pelvis

Bachir Taouli, M.D.

Breast MRI BIRADS

Laurie R. Margolies, M.D., FACR

MRI of Renal Masses

Bachir Taouli, M.D.

Faculty

John V. Crues, III, M.D.

Garry E. Gold, M.D.

Thomas M. Grist, M.D., FACR

Russell N. Low, M.D.

Laurie R. Margolies, M.D., FACR

Scott Reeder, M.D., Ph.D.

Bachir Taouli, M.D.

Phillip F.J. Tirman, M.D.

24th Annual MRI UPDATES 2011

SUPERIOR IMAGE QUALITY
12 AMA PRA Category 1 Credit(s)TM
Date of Original Release:
Bi-Monthly Beginning In January 2011

Musculoskeletal MRI

ESI Educational Symposia
www.edusymp.com

About this DVD Series

This DVD education provides practical, timely, clinical information in musculoskeletal MRI. Pertinent lectures are selected so that subscribers receive the most up-to-date clinical information. Tips and techniques are stressed, as well as appropriate patient selection. The faculty members have been chosen for their teaching ability, as well as their expertise in MRI.

Target Audience

This DVD CME activity is primarily intended and designed to educate diagnostic imaging physicians who supervise and interpret musculoskeletal MRI studies. Also, it should be useful for referring physicians who order these studies so that they might gain a greater appreciation of the strengths and limitations of clinically relevant musculoskeletal MRI studies.

Educational Objectives

At the completion of this DVD CME series, subscribers should be able to:

- Incorporate state of the art pulse sequences and protocols for a variety of musculoskeletal MRI procedures into clinical practice.
- Assess patients with joint pathology in a non-invasive manner utilizing MRI.
- Recognize the strengths and limitations of MRI for the management of sports related injuries.
- Describe the MR appearance of common musculoskeletal pathology and differentiate this pathology from other causes of abnormal signal.
- Correlate surgical arthroscopic and MR image findings of various sports injuries.
- Demonstrate an increased knowledge of orthopedic surgical procedures and the impact MR imaging has on patient management.

No special educational preparation is required for this CME activity.

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 12 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Each DVD is designated for two category 1 credits. The time necessary to complete the series is 12 hours. The time necessary to complete each DVD is two hours.

AMA PRA Category 1 Credit(s)TM
for these programs may be claimed until January 14, 2014.

Technologists: No Category A CE credit is available for this series.

All DVD course participants are required to take a test in order to be awarded credit. (Exam materials, if ordered, will be sent with your DVD order.) All DVD course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

This DVD series was planned and produced by Educational Symposia, the leader in diagnostic imaging education since 1975.

Program

Program 1

Using MR Artifacts to Your Advantage and Suppressing the Ones You Don't Want
William B. Morrison, M.D.

MR Imaging of the Shoulder
Jeffrey Peterson, M.D.

Imaging of Shoulder Instability
William B. Morrison, M.D.

MR Imaging of the Post Operative Shoulder
John F. Feller, M.D.

Program 2

MRI of Rotator Cuff and Impingement
John F. Feller, M.D.

MRI of the Elbow
William R. Reinus, M.D., MBA, FACR

Instability and Thrower's Elbow
Orr Limpivasti, M.D.

Instability and Thrower's Elbow – Imaging
John V. Crues, III, M.D.

Program 3

MRI of the Wrist
William R. Reinus, M.D., MBA, FACR

MRI of the Hip
Phillip F.J. Tirman, M.D.

Imaging of Adult Hip Dysplasia & Femoral - Acetabular Impingement
William B. Morrison, M.D.

Tendon and Joint Disorders – Surgical Perspective
Orr Limpivasti, M.D.

Tendon and Joint Disorders – Imaging
John V. Crues, III, M.D.

Program 4

Technical Basis for Musculoskeletal Imaging
William B. Morrison, M.D.

Digital MRI: The Fingers & Toes
John F. Feller, M.D.

Image Guided MSK Interventions
Jeffrey Peterson, M.D.

Program 4 (Continued)

Vertebral Collapse: Benign vs. Malignant
William E. Palmer, M.D.

Program 5

Degenerative Disease of the Spine
John V. Crues, III, M.D.

MR of the Marrow Space
William R. Reinus, M.D., MBA, FACR

Myotendinous Injury
William E. Palmer, M.D.

Program 6

MRI of the Knee Menisci – Tips & Tricks
William B. Morrison, M.D.

MRI of the Knee – Ligaments and Tendons
Phillip F.J. Tirman, M.D.

Knee Trauma; A Biomechanical Approach
William E. Palmer, M.D.

Faculty

John V. Crues, III, M.D.

John F. Feller, M.D.

Orr Limpivasti, M.D.

William B. Morrison, M.D.

William E. Palmer, M.D.

24th Annual
MRI
UPDATES 2011

Neuro MRI

SUPERIOR IMAGE QUALITY
12 *AMA PRA Category 1 Credit(s)*TM
Date of Original Release:
Bi-Monthly Beginning In January 2011

ESI Educational Symposia
www.edusymp.com

About this DVD Series

This DVD education provides practical, timely, clinical information in neuro MR. Pertinent lectures are selected so that subscribers receive the most up-to-date clinical information. Tips and techniques are stressed, as well as appropriate patient selection. The faculty members have been chosen for their teaching ability, as well as their expertise in MRI.

Target Audience

This DVD CME activity should benefit radiologists and other physicians who perform, supervise, and interpret MR imaging studies for patients with neurological disorders. It should also be valuable for referring physicians who order these studies.

Educational Objectives

At the completion of this DVD CME series, subscribers should be able to:

- Recognize the appearance of normal anatomy and common pathology
- Identify the cranial nerves and associated pathology
- Incorporate state-of-the-art spine imaging protocols and techniques into clinical practice
- Expand clinical applications for MRI in evaluation of patients with a variety of CNS disorders
- Discuss the clinical applications and imaging protocols of using diffusion/perfusion and tensor imaging when evaluating the extent of neurological disease

No special educational preparation is required for this CME activity.

From the Leader in MRI DVD Education

MRI Updates are an exciting concept in medical education. These bi-monthly 2-hour DVD releases are designed to offer:

- Up-to-date, practical information essential for the practicing physician.
- Outstanding, nationally known faculty selected for their excellence as teachers, as well as for their expertise in MRI.
- Superior image quality due to special studio enhancement of the images.
- Electronic pointer to highlight pathology.
- *AMA PRA Category 1 Credit(s)*TM: 2 credits per DVD; 12 credits per series are available.
- Educational sessions at your convenience: Watch when you please; review them as often as you wish.
- DVDs are released throughout the year so that you will always be up-to-date.

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 12 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Each DVD is designated for two category 1 credits. The time necessary to complete the series is 12 hours. The time necessary to complete each DVD is two hours.

Program

Program 1

New MRI Techniques
Lawrence N. Tanenbaum, M.D., FACR
Cranial Nerves
Blake A. Johnson, M.D., FACR

Program 2

CNS Tumors and Tumor Mimics
Blake A. Johnson, M.D., FACR
Clinical Perfusion Imaging
Lawrence N. Tanenbaum, M.D., FACR
Surgeon's Perspective: Neurovascular Disease
Anman Patel, M.D.

Program 3

Intracranial Metastatic Disease
Blake A. Johnson, M.D., FACR
Endovascular Surgeon's Perspective: Stroke
Aman Patel, M.D.

Diagnostic Pitfalls in Neuroimaging
Blake A. Johnson, M.D., FACR

Program 4

MR Imaging of Stroke
J. Pablo Villablanca, M.D.
Spinal Intervention
Aman Patel, M.D.
Intracranial Tumors and Tumor Mimics
Blake A. Johnson, M.D., FACR

Program 5

Congenital CNS Anomalies/Phakomatoses
Blake A. Johnson, M.D., FACR
CT and MR of White Matter Disease
J. Pablo Villablanca, M.D.
Diagnostic Pitfalls in Neuroimaging
Blake A. Johnson, M.D., FACR

Program 6

Advanced Imaging of Brain Neoplasms
Lawrence N. Tanenbaum, M.D., FACR
Conventional Imaging Evaluation of the Spine
Blake A. Johnson, M.D., FACR
Pediatric Neuroimaging Under 2 Years Old – Is That Normal?
Gregory W. Petermann, M.D.

Faculty

Blake A. Johnson, M.D., FACR
Aman Patel, M.D.
Gregory W. Petermann, M.D.

A DVD Teaching Program

MRI **UPDATES 2011** Neuro MRI

Superior Image Quality
FREE SYLLABUS with purchase of entire set

12 AMA PRA Category 1 Credit(s)TM
Available until January 14, 2014

Price includes standard shipping
(FedEx Ground) & handling charges
within the continental United States.

Payment must be in U.S. dollars.

Visit www.edusymp.com or call
1-800-338-5901 to order now.

I wish to order the following MRI Updates:

Each update series includes
6 DVDs (2 hours each DVD),
delivered in the continental
USA, for the low price of \$995.

- GENERAL MRI \$995
- NEURO MRI \$995
- MUSCULOSKELETAL MRI \$995

DVD SET SUBTOTAL = _____

Discounts for Multiple Sets:

- BUY 2 DVD SERIES - SAVE \$100.00 \$1890
Please check two of the following: GENERAL MRI NEURO MRI MUSCULOSKELETAL MRI
- BUY ALL 3 DVD SERIES - SAVE \$300.00 \$2685

DISCOUNTED MULTIPLE SET SUBTOTAL = _____

Additional Course Syllabus: \$65 Each Series

One Syllabus Included with Initial Order

NEW DVD CME Packs

Educational Symposia is constantly exploring ways to better serve our customers. Subscribers of our DVD CME teaching programs asked for a simpler way to share a DVD Teaching Program. We listened and are excited to introduce the **DVD CME Pack**.

Here's how it works. Purchase the original DVD teaching program then order as many **DVD CME Packs** as needed at a significantly reduced price. It really is that simple!

Educational Symposia's innovative **DVD CME Packs** allow each participating physician to own his/her set of DVDs. A personal set provides the opportunity to view at one's own convenience and adds to a personal reference library. **DVD CME Packs** are priced to make it a practical alternative to "waiting in line" to receive the next DVD.

Each **DVD CME Pack** contains:

- An entire set of DVDs in a convenient case designed for durability and ease of access
- One CME application and test
- A one or two volume syllabus (depending on the series). Syllabus is included in the purchase price but is not enclosed in the DVD CME case.

See order form to order a **DVD CME Pack** for this series. To order a **DVD CME Pack** for a previously purchased DVD teaching program, visit us online at www.edusymp.com, call toll free (800) 338-5901.

Multiple CME Subscribers.....

Educational Symposia DVD Teaching Programs are accredited for *AMA PRA Category 1 Credit(s)*TM for three years from the original release date. Once the initial order is placed, the number of CME applications and/or **DVD CME Packs** that can be ordered is limitless. Simply call (800) 338-5901 or access our website at www.edusymp.com and reference the name of the person or facility of the originating order. See order form for pricing.

Cancellation Policy

If you are not satisfied with your purchase, you may return your purchase (or any portion of your purchase) within 15 days of receiving it. You will receive a refund for the portion that is returned less a \$125 processing fee. If you are returning/cancelling multiple DVD series, please note the \$125 fee applies to each series. If your purchase was sent express, the additional shipping charges will NOT be refunded. No refunds can be made after 15 days. All cancellations must be in writing. CME credit cannot be granted on the portion of the purchase that is returned. Abuse of this cancellation policy (2 or more returns) renders the cancellation policy void. There are no refunds for DVD CME Packs.

DVD teaching programs feature a distinctive production process termed "**Digital Studio Enhancement**" including

- Post processed diagnostic images
- Clearly visible pathology and anatomy
- Improved graphic and text legibility
- Electronic pointer correlation with speaker's indications

This production process is exclusive to Educational Symposia DVD programs.

4 EASY WAYS TO ORDER
