ABOUT THE MEETING

This symposium is structured to provide important and clinically advanced, information for physicians and other medical personnel who provide or use radiology services in emergency and critical care locations. State of the art imaging protocols; advanced techniques and diagnostic pitfalls are emphasized so that studies can be performed and interpreted in an optimal and time efficient manner. The internationally recognized faculty, share pearls and pitfalls of emergency room and critical care imaging while keeping patient welfare in mind. The need for careful and complete communication between the radiologist and the clinicians will be emphasized along with modern compliance and reimbursement practices.

TARGET AUDIENCE

This course is primarily designed to educate radiologists, intensivists, trauma surgeons, allied health personnel and emergency medicine physicians. It should also be beneficial for those who order imaging studies and wish to better understand current applications of imaging methods and indications.

ACCREDITATION

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 21.0 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologists: This program has been submitted to the ASRT. The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit www.edusymp.com or call (813) 806-1000 regarding the availability of Category A CE credit.

Self-Assessment Modules (SAMs): Educational Symposia has been granted Deemed Status by the American Board of Radiology (ABR). This allows Educational Symposia to develop and implement SAMs that satisfy ABR Part II MOC requirements.

ACEP: This program will be submitted to the American College of Emergency Physicians for ACEP Category I Credit. Please visit www.edusymp.com or call (813) 806-1000 for more information.

EDUCATIONAL OBJECTIVES

Attendees should, at the completion of this course, be able to:

- Discuss approaches to imaging of the most frequent and serious emergency and critical care problems that occur in their practice.
- Demonstrate an increased awareness on how best to respond to the wide variety of imaging and interventional situations that occur most often during the evenings and weekends.
- Optimize protocols to assess the trauma patient in a time efficient manner.
- Discuss the malpractice risks associated with trauma imaging.

No special educational preparation is required for this CME activity.

REGISTRATION INFORMATION

Early registration is strongly suggested. There will be a \$100 surcharge for anyone registering after **May 19, 2020**. Minimum and maximum attendance levels have been established for this meeting. If your registration cannot be accepted, you will be issued a full tuition refund.

Please note: A minimum number of registrants is required to live webcast this course. If the minimum number is not met by **May 19, 2020** the live webcast activity may be cancelled and a full refund issued.

CANCELLATIONS

Cancellations must be received in writing by sending an e-mail to cancel@edusymp.com. A \$50 processing fee will be applied to all cancellations.
