2011 OB-GYN Ultrasound

About This DVD...

This DVD program is structured as a comprehensive, practical, teaching course for those who perform and interpret ob-gyn ultrasound studies. Topics covered include basic, practical studies, clinically relevant advances, and tips, techniques and pitfalls of obstetrical and gynecological applications. Faculty have been selected for their teaching ability, as well as for their expertise.

Target Audience

This DVD CME activity is structured as a comprehensive, practical teaching course for those who order, perform, and interpret ultrasound studies. It should be particularly valuable for diagnostic imaging physicians, ob-gyn physicians, and referring physicians who utilize ultrasound to evaluate the clinical status of their patients. The DVD series is also valuable for sonographers who perform these procedures.

Scientific Sponsor

Educational Symposia

This DVD series was planned and produced by Educational Symposia, the leader in diagnostic imaging education since 1975.

This DVD series was planned and produced in accordance with the ACCME Essential Areas and Elements.

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 10 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Each DVD is designated for two category 1 credits. The time necessary to complete the series is 10 hours. The time necessary to complete each DVD is two hours.

Technologists: No Category A CE credit is available for this series.

All DVD course participants are required to take a test in order to be awarded credit. (Exam materials, if ordered, will be sent with your DVD order.) All DVD course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

AMA PRA Category 1 Credit(s)TM or these programs may be claimed until July 14, 2014

Educational Objectives

At the completion of this DVD CME series subscribers should be able to:

- Effectively assess patients with a variety of gynecologic disorders using ultrasound
- Implement into their practices expanded uses of ultrasound to assess patients for the presence and extent of fetal anomalies
- Recognize the sonographic appearance and characteristics of ovarian masses, benign and malignant
- Evaluate the status of ectopic and intra-uterine pregnancies more effectively with ultrasound

No special educational preparation is required for this CME activity.

2011 Patient Safety in Obstetrics: Reducing Risk & Improving Outcomes

About This DVD...

This CME accredited DVD series is structured as a practical, clinically oriented discussion of risk reduction in obstetrics and efforts to improve patient safety. A series of lectures address an evidence-based approach to emergencies on labor and delivery, quality assurance programs, using a systematic approach for preventing errors, the role of simulation on labor and delivery, and other pertinent topics affecting clinical practices. Tips, protocols, and pitfalls provide balance to the program. Subscribers will be provided with necessary tools to help establish a patient safety program such as management protocols, simulation scripts and near-miss/data collection processes. The faculty has been selected for their teaching ability, as well as for their expertise in this field.

Target Audience

This course should benefit physicians and nurses in the fields of obstetrics and gynecology. It should also be valuable for those involved in women's health such as nurse managers, perinatal nurse specialists, quality assurance personnel and hospital administrators.

Scientific Sponsor

Educational Symposia

Accreditation

This DVD series was planned and produced by Educational Symposia, the leader in diagnostic imaging education since 1975.

This DVD series was planned and produced in accordance with the ACCME Essential Areas and Elements.

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 16 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Each DVD is designated for two category 1 credits. The time necessary to complete the series is 16 hours. The time necessary to complete each DVD is two hours.

Technologists: No Category A CE credit is available for this series.

All DVD course participants are required to take a test in order to be awarded credit. (Exam materials, if ordered, will be sent with your DVD order.) All DVD course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

AMA PRA Category 1 $Credit(s)^{TM}$ for these programs may be claimed until July 14, 2014.

Educational Objectives

At the completion of this DVD CME series subscribers should be able to:

- Implement patient safety initiatives in obstetrics
- Utilize a system approach to reduce medical errors and improve patient safety
- Establish simulation on labor and delivery to reduce errors
- Establish a near miss program on labor and delivery
- Discuss various liability issues in an obstetrics practice and methods to minimize risk
- Describe the quality indicators for patients in labor and delivery
- Discuss the diagnosis and management of a variety of pregnancy and labor and delivery issues

No special educational preparation is required for this CME activity.

Faculty 2011 OB-GYN Ultrasound

Carol B. Benson, M.D.

Director of Ultrasound Co-Director of High-Risk Obstetrical Ultrasound Brigham & Women's Hospital Professor of Radiology Harvard Medical School Boston, MA

DVD CME Packs

Educational Symposia is constantly exploring ways to better serve our customers. Subscribers of our DVD CME teaching programs asked for a simpler way to share a DVD Teaching Program. We listened and are excited to introduce the DVD CME Pack.

Here's how it works. Purchase the original DVD teaching program then order as many DVD CME Packs as needed at a significantly reduced price. It really is that simple!

Educational Symposia's innovative DVD CME Packs allow each participating physician to own his/her set of DVDs. A personal set provides the opportunity to view at one's own convenience and adds to a personal reference library. DVD CME Packs are priced to make it a practical alternative to "waiting in line" to receive the next DVD.

Each DVD CME Pack contains:

- An entire set of DVDs in a convenient case designed for durability and ease of access
- One CME application and test
- A one or two volume syllabus (depending on the series). Syllabus is included in the purchase price but is not enclosed in the DVD CME case.

See order form to order a DVD CME Pack for this series. To order a DVD CME Pack for a previously purchased DVD teaching program, visit us online at <u>www.edusymp.com</u>, or call toll free at (800) 338-5901.

Multiple CME Subscribers.....

Educational Symposia DVD Teaching Programs are accredited for *AMA PRA Category 1 Credit(s)*TM for three years from the original release date. Once the initial order is placed, the number of CME applications and/ or DVD CME Packs that can be ordered is limitless. Simply call (800) 338-5901 or access our website at www.edusymp.com and reference the name of the person or facility of the originating order. See order form for pricing.

Cancellation Policy

If you are not satisfied with your purchase, you may return your purchase (or any portion of your purchase) within 15 days of receiving it. You will receive a refund for the portion that is returned, less a \$125.00 processing fee. If you are returning/ cancelling multiple DVD series, please note the \$125.00 processing fee applies to each series. If your purchase was sent express, the additional shipping charges will NOT be refunded. No refunds can be made after 15 days. All cancellations must be in writing. CME credit cannot be granted on the portion of the purchase that is returned. Abuse of this cancellation policy (2 or more returns) renders the cancellation policy void. There are no refunds for DVD CME Packs.

DVD teaching programs feature a distinctive production process termed "Digital Studio Enhancement" including:

- Post processed diagnostic images
- Clearly visible pathology and anatomy
- Improved graphic and text legibility
- Electronic pointer correlation with speaker's indications

This production process is exclusive to Educational Symposia DVD programs.
