# JOIN US! IVE IN VEGAS OR LIVE WEBINAR MRI 2013:

Imaging in Sports Medicine

October 17 - 19, 2013 Wynn<sup>®</sup> Las Vegas • Las Vegas, Nevada

19.75 AMA PRA Category 1 Credit(s)<sup>™</sup>
19.75 Category A Continuing Education Units

### ABOUT THE MEETING

A multidisciplinary faculty has been assembled to discuss the importance of imaging in sports medicine with discussions of how imaging can impact patient management. General "how-to" sessions on joint imaging will lead into more detailed imaging techniques including an arthroscopic and orthopedic surgery correlation. Faculty has been chosen to provide a well-rounded multidisciplinary review of sports medicine imaging, surgical techniques and treatment options.

### TARGET AUDIENCE

This program is designed to educate radiologists, orthopedic surgeons, sports medicine physicians, and referring physicians who order musculoskeletal MRI studies. MR technologists and certified athletic trainers should also find this meeting beneficial.

According to the education levels described by the CEC Committee of NATA, the following continuing education course is considered to be Mastery Level for Certified Athletic Trainers.

### SCIENTIFIC SPONSOR

Educational Symposia

#### **ACCREDITATION**

**Physicians:** Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 19.75 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Technologists:** This program has been submitted to the ASRT. The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit www.edusymp.com or call 1-800-338-5901 regarding the availability of Category A CE credit.

**Certified Athletic Trainers:** Educational Symposia is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers. This program has been approved for a maximum of 19.75 hours of Category A Continuing Education. Certified Athletic Trainers are responsible for claiming only those hours actually spent participating in the continuing education activity.

Credit cannot be granted for group viewing during the webinar. Each attendee must sign in on a separate computer to receive credit.

#### EDUCATIONAL OBJECTIVES

Registrants should, at the completion of this course, be able to:

- Incorporate state of the art sequences and protocols for a variety of sports related injury into clinical practice.
- · Assess patients with joint pathology in a non-invasive manner utilizing MRI.
- Recognize the strengths and limitations of MRI for the management of sports related injuries.
- Describe the MR appearance of common musculoskeletal pathology and differentiate this pathology from other causes of abnormal signal.
- Correlate surgical arthroscopic and MR image findings of various sports injuries.
- Demonstrate an increased knowledge of surgical procedures as they relate to various sports injury and the impact MR imaging has on patient management.
- Discuss the utility of musculoskeletal ultrasound for diagnosis and direction of treatment of musculoskeletal injuries.

No special educational preparation is required for this CME activity.

#### **Course Organization**

This program is planned and organized by Educational Symposia, a leader in continuing medical education since 1975.

#### Acknowledgement

Educational Symposia gratefully acknowledges the following corporate supporter:

• Hitachi Medical Systems America, Inc.

## **Registration Information**

#### Cancellations

Cancellations must be received in writing. A \$50 processing fee will be applied to all cancellations. Refunds requested in writing prior to September 20, the \$50 processing fee. No refunds will be made on or after that date.

Tuition for live conference includes all course materials, including a comprehensive course syllabus (printed syllabus <u>or</u> e-syllabus), daily continental breakfasts and coffee breaks. Early registration is strongly suggested. There will be a \$50 surcharge for anyone registering after October 7, 2013. Minimum and maximum attendance levels have been established for this meeting. If your registration cannot be accepted, you will be issued a full tuition refund.

<u>Tuition for webinar</u> includes participation for one registrant. Each registrant must sign in on a separate computer to receive credit. We will use your time of log in and log out to determine the number of credit hours you will receive. If you do not log in to the meeting, we will not be able to grant you credit for this meeting. Prior to the meeting we will send you further information about the log in process. We will also send you a comprehensive course syllabus (printed syllabus <u>or</u> e-syllabus), however you must register at least one week prior to the meeting in order to receive a printed syllabus. There will be a \$50 surcharge for anyone registering after October 7, 2013. If you have any questions or problems logging into the meeting we will have support personnel available at (800) 338-5901.

#### ACCOMMODATIONS

Wynn<sup>®</sup> Las Vegas prides itself on its ability to provide an exceptional guest experience. Inside the 50-story, 2,716-room resort, luxury and intimacy abound at every turn. The resort offers award-winning accommodations, signature restaurants, exciting leisure activities and nightly entertainment.

For those who make the resort their home away from home, Wynn<sup>®</sup> Las Vegas presents an array of deluxe quarters. The most difficult decision guests will make concerning their stay is the choice between staying in a plush resort room in the heart of activity or in the privacy of the Forbes Five-Star award winning Tower Suites.

Make your reservation as soon as possible as our room block may sell out prior to the cut-off date of September 25, 2013. After this date, reservations will be accepted at the discretion of the hotel, on a space and rate available basis.

Identify yourself as a registrant of the "Musculoskeletal MRI 2013/ Oncology Symposium" to qualify for special discounted group room rate. Rates cannot be changed at check-in or check-out for guests who fail to identify their affiliation at the time the reservation is made.
