Contemporary Evaluation and Management of Prostate Cancer: Up Your Game!

Designated for SA-CME

15.0 AMA PRA Category 1 Credit(s)TM

Release Date: June 15, 2014

About This CME Teaching Activity

This CME teaching activity is designed to provide a contemporary perspective on the evaluation and management of prostate cancer. A multidisciplinary faculty will discuss the different diagnostic tools and methods used to diagnose and manage prostate cancer. In addition, an in-depth discussion on the advantages of multi-parametric MRI will reveal the future of this exciting new tool. A review of available biopsy procedures will compare the advantages and pitfalls of each. The faculty for this course have been chosen for their teaching ability, for their clinical acumen and for leadership in their areas of expertise.

Target Audience

This CME teaching activity is designed to educate physicians who diagnose and treat prostate disease; radiologists, urologists, radiation oncologists, medical oncologists and any other physicians that diagnose and treat prostate cancer.

Scientific Sponsor

Educational Symposia

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 15.0 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SA-CME: Credits awarded for this enduring activity are designated "SA-CME" by the American Board of Radiology (ABR) and qualify toward fulfilling requirements for Maintenance of Certification (MOC) Part II: Lifelong Learning and Self-assessment.

Technologists: No Category A CE credit is available for this series.

All activity participants are required to pass a written or online test with a minimum score of 70% in order to be awarded credit. (Exam materials, if ordered, will be sent with your order.) All course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

AMA PRA Category 1 Credit(s)TM for this activity may be claimed until June 14, 2017.

This CME teaching activity was planned and produced by Educational Symposia,
the leader in diagnostic imaging education since 1975.

This CME teaching activity was planned and produced in accordance with the ACCME Essential Areas and Elements.

Educational Objectives

At the completion of this CME teaching activity, you should be able to:

- Describe current and future patient management options for prostate cancer including the emerging role of image guided focal therapy.
- Discuss the role and controversy for using prostate-specific antigen therapy in patients with known or suspected prostate cancer.
- Discuss the role of imaging in the diagnosis, management and follow up of prostate cancer treatment.
- Identify patients who benefit most from multi-parametric prostate MRI.
- Review the different methods of prostate biopsy procedures and discuss the associated risks and pitfalls.

No special educational preparation is required for this CME activity.

Faculty

David G. Bostwick, M.D., M.B.A.

*Medical Director
Bostwick Labs*

Peter L. Choyke, M.D., FACR

*Chief, Molecular Imaging Program
National Cancer Institute
Bethesda, MD*

John F. Feller, M.D.

*Medical Director
Desert Medical Imaging
Indian Wells, CA
Assistant Clinical Professor of Radiology
Loma Linda University School of Medicine
Loma Linda, CA*

Andrew K. Lee, M.D., M.P.H.

*Professor, Department of Radiation
Oncology Division
The University of Texas MD Anderson
Cancer Center
Houston, TX*

William K. Oh, M.D.

*Chief, Division of Hematology and
Medical Oncology
Professor of Medicine and Urology
Ezra M. Greenspan, MD Professor in Clinical
Cancer Therapeutics
Icahn School of Medicine at Mount Sinai
Associate Director of Clinical Research
The Tisch Cancer Institute
New York, NY*

Mack Roach, III, M.D., FACR

*Professor Radiation Oncology & Urology
Chair Department of Radiation Oncology
UCSF Helen Diller Family Comprehensive
Cancer Center
San Francisco, CA*

Claus G. Roehrborn, M.D.

*Professor and Chairman
S.T. Harris Family Chair in Medical Science, in
Honor of John D. McConnell, M.D.
E.E. Fogelson and Greer Carson Fogelson
Distinguished Chair in Urology
Department of Urology
UT Southwestern Medical Center at Dallas*

Program

Session 1

Origins of Prostate Cancer

David G. Bostwick, M.D., M.B.A.

PSA Based Screening

Claus G. Roehrborn, M.D.

Recent Trends in Prostate Cancer Diagnosis

Peter L. Choyke, M.D., FACR

Session 2

Making TRUS Biopsies Better and Safer

Claus G. Roehrborn, M.D.

Multiparametric MRI of the Prostate

Peter L. Choyke, M.D., FACR

Robotic Prostatectomy Update 2014

Claus G. Roehrborn, M.D.

Session 3

MR-Guided Biopsy

John F. Feller, M.D.

MRI for Staging Prostate Cancer

Neil M. Rofsky, M.D., FACR

Overview of Radiation Therapy for Prostate Cancer

Mack Roach, III, M.D., FACR

Session 4

Lymph Node Imaging in Prostate Cancer

Peter L. Choyke, M.D., FACR

Prostate MRI: What the Radiation Oncologist Wants to Know

Mack Roach, III, M.D., FACR

Focal Therapy for Prostate Cancer: Pathology Considerations

David G. Bostwick, M.D., M.B.A.

Focal Laser Ablation of Prostate Cancer

John F. Feller, M.D.

Session 5

MR Guided HiFU

Neil M. Rofsky, M.D., FACR

Proton Therapy for Prostate Cancer

Andrew K. Lee, M.D., M.P.H.

Optimizing Hormone Therapy for Metastatic Prostate Cancer

William K. Oh, M.D.

Session 6

New Therapies for Castration-Resistant Prostate Cancer: What's the Right Sequence?

William K. Oh, M.D.

Radiation Therapy for Prostate Cancer: Case Based Review

Mack Roach, III, M.D., FACR

Establishing an MRI Based Prostate Cancer Program

John F. Feller, M.D.

Session 7

Treatment of Locally Advanced Prostate Cancer

Andrew K. Lee, M.D., M.P.H.

Radiology-Pathology Correlations in Prostate Cancer

Neil M. Rofsky, M.D., FACR

Postoperative Management in Prostate Cancer

Andrew K. Lee, M.D., M.P.H.

Session 8

PET Scanning of Advanced Prostate Cancer

Peter L. Choyke, M.D., FACR

Chemoprevention of Prostate Cancer: Pessimism and Optimism

David G. Bostwick, M.D., M.B.A.

Molecular Biology of Prostate Cancer

David G. Bostwick, M.D., M.B.A.

Session 9

Novel Biomarkers in Advanced Prostate Cancer

William K. Oh, M.D.

DVD CME Packs

Educational Symposia is constantly exploring ways to better serve our customers. Subscribers of our DVD CME teaching programs asked for a simpler way to share a DVD Teaching Program. We listened and are pleased to offer the **DVD CME Pack**. Here's how it works. Once the initial order for an entire set is placed, order as many **DVD CME Packs** as needed at a significantly reduced price. It really is that simple!

Educational Symposia's innovative **DVD CME Packs** allow each participating physician to own his/her set of DVDs. A personal set provides the opportunity to view at one's own convenience and adds to a personal reference library. **DVD CME Packs** are priced to make it a practical alternative to "waiting in line" to receive the next DVD.

Each **DVD CME Pack** contains:

- An entire set of DVDs in a convenient case designed for durability and ease of access
- One CME application and test
- A one or two volume syllabus (depending on the series). Syllabus is included in the purchase price but is not enclosed in the DVD CME case.

See order form to order a **DVD CME Pack** for this series. To order a **DVD CME Pack** for a previously purchased DVD teaching program, visit us online at www.edusymp.com, or call toll free at (800) 338-5901.

Multiple CME Subscribers.....

Educational Symposia DVD Teaching Programs are accredited for *AMA PRA Category 1 Credit(s)*TM for three years from the original release date. Once the initial order for an entire set is placed, the number of CME applications and/or **DVD CME Packs** that can be ordered is limitless. Simply call (800) 338-5901 or access our website at www.edusymp.com and reference the name of the person or facility of the originating order. See order form for pricing.

DVD Cancellation Policy

If you are not satisfied with your purchase, you may return your purchase within 15 days of receiving it. You will receive a refund, less a \$125.00 processing fee. If you are returning/cancelling multiple DVD series, please note the \$125.00 processing fee applies to each series. If your purchase was sent express, the additional shipping charges will NOT be refunded. No refunds can be made after 15 days. All cancellations must be in writing. CME credit cannot be granted on returned purchases. Abuse of this cancellation policy (2 or more returns) renders the cancellation policy void. There are no refunds for DVD CME Packs.

On-Demand Cancellation Policy

ESI On-Demand offers a free trial period on docmeded.com. Please use the evaluation period to make sure the service is right for you and your online system meets the requirements necessary to view. If you are not satisfied with your purchase, you may receive a refund if you have watched less than 20% of your purchase. If you experience difficulty accessing or viewing your purchased product, help is available. Please contact us at info@docmeded.com or 800.338.5901 or 813.806.1000.

Reduce your mail clutter or just add email announcements. Please visit the
"Mailing List" section of our website at www.edusymp.com.
