## 2015

## **Patient Safety in Obstetrics:**

Reducing Risk & Improving Outcomes

11.5 AMA PRA Category 1 Credit(s)™ • Release Date: May 15, 2015

AVAILABLE NOW

## 2015 OB-GYN Ultrasound

## **About This CME Teaching Activity**

This CME teaching activity is structured as a comprehensive, practical, teaching course for those who perform and interpret ob-gyn ultrasound studies. Topics covered include basic, practical studies, clinically relevant advances, and tips, techniques and pitfalls of obstetrical and gynecological applications. Faculty have been selected for their teaching ability, as well as for their expertise.

## **Target Audience**

This CME teaching activity should be particularly valuable for diagnostic imaging physicians, ob-gyn physicians, and referring physicians who utilize ultrasound to evaluate the clinical status of their patients.

## Scientific Sponsor

Educational Symposia

#### Accreditation

**Physicians:** Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 10.0 AMA PRA Category 1  $Credit(s)^{TM}$ . Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**SA-CME:** Credits awarded for this enduring activity are designated "SA-CME" by the American Board of Radiology (ABR) and qualify toward fulfilling requirements for Maintenance of Certification (MOC) Part II: Lifelong Learning and Self-assessment.

All activity participants are required to pass a written or online test with a minimum score of 70% in order to be awarded credit. (Exam materials, if ordered, will be sent with your order.) All course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

#### AMA PRA Category 1 Credit(s)™ for this activity may be claimed until May 14, 2018.

This CME activity was planned and produced by Educational Symposia, a leader in continuing medical education since 1975.

This activity was planned and produced in accordance with the ACCME Essential Areas and Elements.

## **Educational Objectives**

At the completion of this CME teaching activity, you should be able to:

- Effectively assess patients with a variety of gynecologic disorders using ultrasound.
- Implement into their practices expanded uses of ultrasound to assess patients for the presence and
  extent of fetal anomalies.
- Recognize and differentiate the sonographic appearance and characteristics of normal and abnormal gynecologic anomalies.
- Evaluate the status of ectopic and intra-uterine pregnancies more effectively with ultrasound.

No special educational preparation is required for this CME activity.

## 2015 Patient Safety in Obstetrics

## **About This CME Teaching Activity**

This activity is structured as a practical, clinically oriented discussion of risk reduction in obstetrics and efforts to improve patient safety. Lectures address the origin of errors, the management of emergencies on labor and delivery, quality assurance programs, and implementing a systematic approach for prevention of errors. Tips, protocols, pitfalls and case presentations provide the necessary tools to help establish a patient safety program such as management protocols, checklists and near-miss/data collection processes.

## **Target Audience**

This CME activity should benefit physicians and nurses involved in caring for pregnant women. It should also be valuable for those involved in women's health such as nurse managers, perinatal nurse specialists, quality assurance personnel and hospital administrators.

## Scientific Sponsor

Educational Symposia

#### Accreditation

**Physicians:** Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 11.5 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All activity participants are required to pass a written or online test with a minimum score of 70% in order to be awarded credit. (Exam materials, if ordered, will be sent with your order.) All course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

**Nurses:** For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit(s)*<sup>TM</sup> issued by organizations accredited by the ACCME. For the purpose of relicensure, the California Board of Registered Nursing accepts *AMA PRA Category 1 Credits*<sup>TM</sup> (report up to 11.5 hours of credit and list "CME Category 1" as the provider number).

#### AMA PRA Category 1 Credit(s)™ for this activity may be claimed until May 14, 2018.

This CME activity was planned and produced by Educational Symposia, the leader in diagnostic imaging education since 1975.

This activity was planned and produced in accordance with the ACCME Essential Areas and Elements.

## **Educational Objectives**

At the completion of this CME teaching activity, you should be able to:

- Implement patient safety initiatives in obstetrics.
- Utilize a system approach to reduce medical errors and improve patient safety.
- · Establish simulation on labor and delivery to reduce errors.
- Discuss the management of emergencies on labor and delivery.
- Identify various liability issues in an obstetrics practice and methods to minimize risk.
- Describe the quality indicators for patients in labor and delivery.
- Discuss the diagnosis and management of a variety of pregnancy and labor and delivery issues.

No special educational preparation is required for this CME activity.

# 2015 OB-GYN Ultrasound Faculty

## Beverly G. Coleman, M.D., FACR

Professor of Radiology Associate Chairman of Radiology Chief, Ultrasound Imaging Hospital of the University of Pennsylvania Philadelphia, PA

#### Thomas Rob Goodman, MB BChir

Professor of Diagnostic Radiology Chief, Pediatric Radiology Yale University School of Medicine New Haven, CT

#### Ulrike M. Hamper, M.D., MBA, FACR

Professor of Radiology, Urology and Pathology Director, Division of Ultrasound Russell H. Morgan Department of Radiology and Radiological Science The Johns Hopkins University, School of Medicine Baltimore, MD

## Regina J. Hooley, M.D.

Assistant Professor of Diagnostic Radiology Yale School of Medicine New Haven, CT

#### Harriet Paltiel, M.D.

Radiologist Boston Children's Hospital Associate Professor of Radiology Harvard Medical School Boston, MA

## Leslie M. Scoutt, M.D.

Professor of Diagnostic Radiology and Vascular Surgery Assistant Program Director, Diagnostic Radiology Chief, US Section Medical Director, Non-Invasive Vascular Lab Yale-New Haven Hospital New Haven, CT

## Thomas C. Winter, III, M.D.

Professor of Radiology and OB-Gyn Director of Body Imaging University of Utah School of Medicine Salt Lake City, UT

# 2015 OB-GYN Ultrasound Program

#### **Session 1**

Abdominal Cysts: Postnatal Findings in Prenatal Cases Thomas Rob Goodman, MB Bchir

Obstetric Ultrasound Do's and Don'ts
Thomas C. Winter, III. M.D.

Ultrasound Evaluation of Pelvic Masses *Regina J. Hooley, M.D.* 

#### Session 2

Fetal MSK: Watch the Hands and Feet Beverly G. Coleman, M.D., FACR

Neonatal Brain: Hemorrhage and Ischemia *Harriet Paltiel, M.D.* 

Fetal Cavum Septi Pellucidi: Why You Should Care Thomas C. Winter. III, M.D.

#### **Session 3**

Fetal CNS: Posterior Fossa Anomalies Beverly G. Coleman, M.D., FACR

First Trimester Ultrasound Update: The New Guidelines

Fetal Thorax: Other Than BIG 3
Beverly G. Coleman, M.D., FACR

Neonatal Renal Masses

Harriet Paltiel, M.D.

#### Session 4

Ultrasound Evaluation of Ectopic Pregnancy *Leslie M. Scoutt, M.D.* 

Fetal Spine: MOMS = Management of MMC Study

Beverly G. Coleman, M.D., FACR

Ultrasound Evaluation of Gynecologic Causes of Pelvic Pain

Leslie M. Scoutt, M.D.

#### Session 5

Ultrasonography of the Endometrium and Saline Infusion Hysterography

Thomas C. Winter, III, M.D.

The Infant Spine *Harriet Paltiel*, *M.D.* 

Applications of 3D Ultrasound in Gynecology Ulrike M. Hamper, M.D., MBA, FACR

Director, Maternal-Fetal Medicine Fellowship Vice-Chair and Professor Department of Obstetrics & Gynecology and The Center for Health Care Studies Feinberg School of Medicine Northwestern University Chicago, IL

## 2015 Patient Safety in Obstetrics Program

#### **Session 1**

The OB Right Program Expansion Into a Wide Network

Alfred Abuhamad, M.D.

Quality Measures for the OB/GYN Practitioner *Richard M. Bikowski, M.D.* 

Improving Patient Safety Through Standardization of Care Peter S. Bernstein, M.D., M.P.H.

Obstetric Vital Sign Alert: A Real Time Surveillance Model For Improving Outcomes Diana J. Behling, DNP, CPPS

#### **Session 2**

Crew Resource Management on Labor & Delivery: Challenges and Opportunities William A. Grobman, M.D., MBA

Imitators of Pre-Eclampsia *Michael A. Belfort, M.D., Ph.D.* 

The Role of Human Factor Engineering in Patient Safety Peter S. Bernstein, M.D., M.P.H.

Case Presentation

Diana J. Behling, DNP, CPPS

## **Session 3**

Patient Safety in Obstetrics: Sustaining a Program Over Time - The Northwestern Experience

William A. Grobman, M.D., MBA

Attesting for Meaningful Use in Obstetrics: Pains and Rewards

Richard M. Bikowski, M.D.

Obstetrics and Flying Airplanes: Lessons From the Airline Industry Michael A. Belfort, M.D., Ph.D.

Case Presentation
Alfred Abuhamad, M.D.

#### **Session 4**

Shoulder Dystocia: Education Training and Effective Management
William A. Grobman. M.D., MBA

Update on a Safety Initiative in New York State

Peter S. Bernstein, M.D., M.P.H.

Operative Deliveries: Minimizing Risks & Enhancing Outcomes *Michael A. Belfort, M.D., Ph.D.* 

Current Updates on Vaginal Birth After Cesarean William A. Grobman, M.D., MBA

#### Session 5

Management of Placenta Percreta *Michael A. Belfort, M.D., Ph.D.* 

Postpartum Hemorrhage: Diagnosis and Management Alfred Abuhamad, M.D.

Establishing a Just Culture in Obstetrics *Peter S. Bernstein, M.D., M.P.H.* 

Multi-disciplinary Approach to Quality and Safety on Labor and Delivery

Diana J. Behling, DNP, CPPS

## Session 6

Role of Obstetric Simulation in Patient Safety *Peter S. Bernstein, M.D., M.P.H.* 

Clinically Integrated Networks and Accountable Care Organizations: What is the Future?

Richard M. Rikawski, M.D.

Giving Oxytocin Safely on Labor and Delivery Diana J. Behling, DNP, CPPS

National Council on Safety in Women's Healthcare - Agenda for the Future *Alfred Abuhamad, M.D.* 

## **ACCESS LECTURES ANYTIME, FROM ANYWHERE!**

Educational Symposia now offers its CME Teaching Activities On-Demand. Purchase the entire series, or individual lectures, then view at your convenience via computer, tablet, TV - any device with internet access\*. Lectures can be viewed as often as you like for three years.

Create an account to receive one FREE hour of CME! We encourage you to sign-up and experience the docmedED.com difference.

- State-of-the-art streaming technology to access medical education lectures presented by top educators and speakers in their specialty.
- Professionally produced and developed, easy-to-access fitting your busy needs.
- Currently over 1000 lectures, with more added every day!

\*On-Demand lectures are not downloadable. An Internet connection is necessary.

## 3 NEW OPTIONS NOW AVAILABLE

**MULTIPLE CME SUBSCRIBERS:** CME Packs allow each participating physician to own his/her set of videos. Once the initial order for an entire set is placed, order as many CME Packs as needed at a significantly reduced price as a practical alternative to "waiting in line" to receive the next video. It really is that simple!

#### Each CME Pack contains:

• An entire set of videos available on:

#### USB

#### **Streaming On-Demand**

- One CME application and test
- Electronic Syllabus

To order CME Packs visit us online at edusymp.com or call toll free (800) 338-5901.

Video Cancellation Policy: Return within 15 days of receiving- No refunds after. \$125.00 processing fee for each series. Shipping non-refundable. Cancellations must be in writing. No CME credit on returned purchases. 2 + returns voids cancellation policy.

**On-Demand Cancellation Policy:** We offer a free trial period. Please use the evaluation period to ensure your online system meets the requirements necessary to view. If you are not satisfied, you may receive a refund if you have watched less than 20% of your purchase.
