# JOIN US IN DC OR VIA WEBCAST

# **Economics** Diagnostic Imaging 2017: National Symposium

# Strategy and Tactics for Success in Time of Challenges, Changes and Chaos

21.5 AMA PRA Category 1 Credit(s)<sup>TM</sup>

# October 26 - 29, 2017

The Ritz-Carlton, Pentagon City | Arlington, Virginia

RLI credits will be available for some sessions.

# **About The Meeting**

In 2017, radiology in the US is facing great changes on several fronts and yet there is also great uncertainty. There is a lack of clarity about what the new government will do with the health reform process. Some items, such as MACRA and MIPS, will continue to move forward. Others will likely be repealed and/or replaced and there will be surprises from many levels of government. On the private side, there has been continued pressure on the practice of radiology as insurers, hospitals and other entities try to consolidate into larger entities and change their relationships with imaging. In the domain of advanced technology, after years of false starts, Watson and other advanced technologies now are reaching the point of being able to be deployed into the clinical setting for detection and diagnosis

This meeting will discuss not only the challenges but also suggest potential solutions for radiologists and their groups. This program will go further and also discuss methods for attendees to begin implementation when they return home.

We are combining both experienced and new faculty to provide insightful and leading edge content focusing on critical issues and developing novel solutions. Attendees will take home practical action items that they can quickly incorporate into their practices.

# **Target Audience**

This CME activity is primarily intended and designed to educate diagnostic imaging physicians, radiology business management executives, hospital CEOs, CFOs, board members and other key hospital administrators as well as technical directors of radiology departments, reimbursement experts, corporate executives, attorneys and sophisticated health care investors.

# **Scientific Sponsor**

Educational Symposia

# Accreditation

**Physicians:** Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 21.5 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Self-Assessment Modules (SAMs): Educational Symposia has been granted Deemed Status by the American Board of Radiology (ABR). This allows Educational Symposia to develop and implement SAMs that satisfy ABR Part II MOC requirements.

# **Educational Objectives**

Attendees should, at the completion of this course, be able to:

- Prepare robust implementation plans for MACRA/MIPS.
- Understand the promise, the threats and the myths of incorporating AI, Big Data and 3D printing into your clinical work.
- Benchmark your practice against other leading practices on multiple metrics.
- Receive insider briefings on political changes, coding changes and quality metrics.
- Understand how communication, resilience and leadership can further your career.
- Examine the ins and outs of going through group mergers and of being sold to a hospital or corporation.
- Receive insider briefings on how the ACR's advocacy group, economics commission and the Neiman Policy Institute can help you and your practice.
- Prepare for the next waves of change in the academic and private sectors.

No special educational preparation is required for this CME activity.

# **Course Organization**

This program is planned and organized by Educational Symposia, a leader in continuing medical education since 1975.

# Cancellations

Cancellations must be received in writing. A \$50 processing fee will be applied to all cancellations. Refunds requested in writing prior to September 29, 2017 will be issued for the amount of tuition paid less the \$50 processing fee. No refunds will be made on or after that date.

# Acknowledgement

Educational Symposia appreciates our corporate supporters and exhibitors. A list of industry supporters will be provided and acknowledged at the meeting.

# **Registration Information**

Tuition for live conference includes all course materials, an electronic color course syllabus (printed color syllabus available for \$95, advanced purchase only), daily continental breakfasts and coffee breaks. Early registration is strongly suggested. There will be a \$100 surcharge for anyone registering after October 17, 2017. Minimum and maximum attendance levels have been established for this meeting. If your registration cannot be accepted, you will be issued a full tuition refund.

Tuition for live webcast includes participation for one registrant. Each registrant must sign-in on a separate computer to receive credit. Prior to the meeting we will send you further information about the log in process. We will also send you an electronic color course syllabus via email. If you have any questions or problems logging into the meeting we will have support personnel available at (800) 338-5901. There will be a \$100 surcharge for anyone registering after October 17, 2017.

<u>**Please note:</u>** A minimum number of registrants is required to live webcast this course. If the minimum number is not met by September 29, 2017 the live webcast activity may be cancelled and a full refund issued.</u>

# Webcast Requirements

Visit the Help Center at www.edusymp.com/site/help to review the computer and internet requirements for viewing live webcast meetings.

| 4 EASY WAYS TO REGISTER | We Accept                                                                                                |                                                                                                                      |

# Reduce your mail clutter or just add email announcements. Please visit the "Mailing List" section of our website at www.edusymp.com.

**Disclaimer:** Educational Symposia (ESI) as planner and presenter of this meeting, and Professional Travel as the official travel agency for this meeting, claim no liability for the acts of any suppliers or the safety of any attendees while in transit to, from, or during this event or any optional activities. The total amount of liability, if any, for the meeting organizers is limited to a refund of the registration fee, and Professional Travel's responsibility is limited to that of an agent.

**Special Note for the Disabled:** Educational Symposia wishes to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently from other individuals because of the absence of auxiliary aids and services. If you need any auxiliary aids or services identified in the Americans with Disabilities Act, please contact our office at (800) 338-5901 or (813) 806-1000.

### Program Director

#### Frank J. Lexa, M.D., MBA, FACR

#### **Ted Burnes**

Director, RADPAC & Political Education American College of Radiology Washington, DC

#### W. Kenneth Davis, Jr., Esquire

Partner Katten Muchin Rosenman LLP Chicago, IL

#### Richard Duszak, M.D., FACR, FRBMA

Professor and Vice Chair for Health Policy and Practice Department of Radiology and Imaging Sciences Emory University School of Medicine Atlanta, GA

#### Stephen Ferrara, M.D., FSIR

Captain (ret), United States Navy Chief of Interventional Radiology Veteran's Affairs Medical Center Clinical Professor of Radiology and Radiological Sciences Uniformed Services University of the Health Sciences

#### David P. Fessell, M.D.

Professor of Radiology Division of Musculoskeletal Radiology University of Michigan Health System Ann Arbor, MI

#### C. Matthew Hawkins, M.D.

Assistant Professor Director - Pediatric Interventional Radiology Department of Radiology and Imaging Sciences Emory University School of Medicine Children's Healthcare of Atlanta, Egleston Campus Atlanta, GA

#### Frank J. Lexa, M.D., MBA, FACR

Project Faculty, Spain and East Asia Regional Manager, the Global Consulting Practicum & Adjunct Professor of Marketing, The Wharton School, The University of Pennsylvania

Chief Medical Officer, The Radiology Leadership Institute and Chair of the Practice Leaders Commission of the American College of Radiology Philadelphia, PA

#### Geraldine McGinty, M.D., MBA, FACR

Dept of Radiology, Weill Cornell Medicine Chair, ACR Commission on Economics New York, NY

#### Lawrence R. Muroff, M.D., FACR

CEO & President Imaging Consultants, Inc. Tampa, FL Clinical Professor of Radiology University of Florida and University of South Florida Colleges of Medicine

#### Barbara F. Rubel, MBA, FRBMA

Senior Vice President, Marketing & Client Services MSN Healthcare Solutions Past President, RBMA Past President, Georgia Radiology Business Management Association President-Elect, Florida RBMA Member, Healthcare Business Management Association Columbus, GA

#### Eliot L. Siegel, M.D., FACR, FSIIM

Chief of Radiology and Nuclear Medicine VA Maryland Health Care System Vice Chairman Information Systems University of Maryland School of Medicine Department of Diagnostic Radiology Adjunct Professor Computer Science University of Maryland Baltimore Country Adjunct Professor Biomedical Engineering University of Maryland College Park Baltimore, MD

# Ezequiel "Zeke" Silva III, M.D., FACR, FSIR, RCC

Diagnostic and Interventional Radiologist Director of Interventional Radiology South Texas Radiology Imaging Centers Adjunct Associate Professor University of Texas Health Science Center San Antonio, TX
