COURSE ORGANIZATION
This program is planned and organized by Educational Symposia, a leader in continuing medical education since 1975.

ACKNOWLEDGEMENT
Educational Symposia appreciates your support, cooperation, and enthusiasm. A list of industry supporters will be provided and acknowledged at the meeting.

CANCELLATIONS
Cancellations must be received in writing by sending an email to cancellations@edusymp.com. There is a $55 processing fee for all cancellations. Cancellations received in writing prior to May 8, 2020 will be refunded a full amount for the meeting but will incur a $100 surcharge if the live webcast activity may be cancelled and a full refund issued.

REGISTRATION INFORMATION
Notice for live webcast includes all course materials, an electronic color course syllabus (printed color syllabus available for $95, advanced purchase only), daily continental breakfasts and coffee breaks. Field registration is strongly suggested. There will be a $500 surcharge for anyone registering after May 30, 2020. Minimums and maximums attendances have been established for the live meeting. If your registration cannot be accepted, you will be issued a full refund.

Notice for live webcast includes participation for one registrant. Each registrant must sign-in on a separate computer to receive credit. Prior to the meeting we will send you further information about the log in process. We will also send you electronic access to course syllabus. If you have any questions or issues logging into the meeting we will have support personnel available at (813) 806-1020. There will be a $100 surcharge for anyone registering after May 30, 2020.

CANCELLATIONS
If the minimum number of registrants is not met by May 8, 2020 the live webcast activity may be cancelled and a full refund issued. To change course format, there will be a minimum fee of $50. If course is cancelled, the registration fee will be refunded in the form of an electronic credit which expires 1 year from date of issue. This electronic credit may be used for any course on the website. This credit is non-refundable and non-transferable. The code may be used for any course, including future courses. Refunds will be issued on or after May 8, 2020.

3rd Annual Advances in First Trimester Ultrasonic Imaging

© 2019 Educational Symposia

ABOUT THE MEETING

This symposium is structured on a practical, clinical approach to First Trimester Ultrasonic Abnormalities. A wide array of topics including clinical cases, ultrasound documentation and abnormalities of major organ systems in the first trimester will be discussed, including inductions for imaging in the first trimester are discussed. The program is taught by clinicians with extensive practice. Topics, images, and pitfalls provide balance to the program.

TARGET AUDIENCE

This program is designed for ob-gyns, gynecologists, maternal-fetal medicine physicians, radiation oncologists, gynecologic oncology, anesthesiologists, radiologists, and other physicians involved in obstetrics and gynecology. The goal of the educational activity is to bring the level of practice for the health practitioner to a higher degree of proficiency in obstetric ultrasound.
