## ABOUT THE MEETING

This CME activity provides a practical, comprehensive review of the important aspects of clinical musculoskeletal and orthopedic MRI. Physicians practicing musculoskeletal MRI should gain knowledge on the expanding role of MRI in addition to safe and efficient scanning protocols.

## TARGET AUDIENCE

This CME activity is designed to educate physicians who supervise and interpret Orthopedic MRI studies. This CME activity should also be useful for referring physicians who order these studies so that they might gain a greater appreciation of the strengths and limitations of clinically relevant Orthopedic MRI studies. Orthopedic MRI technologists should also find this course beneficial.

## ACCREDITATION

**Physicians:** Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 11.0 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Technologists:** This program has been submitted to the ASRT. The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit [www.edusymp.com](http://www.edusymp.com) or call (813) 806-1000 regarding the availability of Category A CE credit.

**Self-Assessment Modules (SAMs):** Educational Symposia has been granted Deemed Status by the American Board of Radiology (ABR). This allows Educational Symposia to develop and implement SAMs that satisfy ABR Part II MOC requirements.

## EDUCATIONAL OBJECTIVES

Attendees should, at the completion of this course, be able to:

- Utilize MRI to evaluate patients with musculoskeletal and orthopedic pathology.
- Incorporate state of the art imaging protocols to evaluate the musculoskeletal system into clinical practice.
- Identify image features of common musculoskeletal sports related injuries.

*No special educational preparation is required for this CME activity.*

## REGISTRATION & CANCELLATION INFORMATION

Early registration is strongly suggested as capacity may be limited. We will accept registrations on a first-come basis due to possible restriction on the number of registrants able to attend this course in person. Should you register to attend the meeting in-person and the meeting is not able to proceed as a live event, you will have the option to participate in the virtual meeting, receive a tuition credit, or a full refund.
